Nursery

This week has been another busy week in Nursery.

In Literacy we have been practising our Phonics and seeing how many sounds we have learnt over the year. Your children have done tremendously well, with a number of children knowing all of their Phase 1 sounds and word-building too. Well done Nursery!

In Maths we have been adding 2 amounts to make a total and we have been drawing pictures of ourselves too.

On Monday we had a real treat and watched the Year 2 performance of Snow White. We all really enjoyed the play! Next week we will be watching Year 6 children perform High School Musical, which should be fantastic.

On Thursday we visited our new teachers in Reception and on Friday it was our Sport's Day. We all did fantastically well. Thank you to all the parents who managed to support your children—we hope you enjoyed it as much as we did!

Next week we will be hearing our children read, so please remember to send your child's book in every day. We will be talking to the children about moving up to Reception and how they feel about this, reassuring any children that are nervous that this is normal and what they can do to feel happier.

Enjoy your weekend! See you all on Monday for yet another busy week!

Reception

We have worked so hard this week in Reception.

In Literacy we have listened to the story called Shaun the shy shark. We then wrote our own stories about a shark. In Maths we have been practising all the skills we have learnt this year. In Topic we have made our own pizzas they were delicious.

On Monday we watched the Year 2 performance of Snow White. The children were so good and we all really enjoyed it.

On Wednesday we watched KS1 Sports Day, all of the children did really well. It was our Sports Day on Friday all our teachers thought we were fantastic and were so proud of us.

On Thursday we visited our new teachers in Year 1 they are all looking forward to us being in their class in September.

Next week we are going to watch Year 6 do their production of High School Musical. We can't wait to see it.

Have a lovely weekend everyone and see you all Monday.

Year 1

What a lovely week we've had this week. We thoroughly enjoyed watching Year 2s production of Snow White. Well done Year 2!

We also had a wonderful time on Wednesday when we all took part in our Sports Day. We all tried our best and enjoyed cheering each other on.

In maths we have been adding and taking away using our knowledge of place value.

Next week will be learning about calendars and how to use them.

In English we have been reading 'The Lighthouse Keepers Lunch' We have even created a new menu for him. We will continue with this text next week.

In Science we are coming to the end of our topic on Seasonal Changes and next week we will be making a weather wheel to take home.

In Art we will be making a lighthouse to tie in with our English text.

Have a good weekend everyone.

Year 2

We would like to say a massive 'well done' to all children who took part in the production. You were all fantastic and should be very proud of yourselves. If you would like to purchase the DVD of Snow White, please refer to the letter that was sent earlier in the week.

This week, children have taken part in Sports Day. Well done to everyone who participated. We used this as a hook to write our own sports adventure comic.

During Topic this week, children have been using the information that they found last week to create an adventure story. Children planned their story using pictures and used this to help them.

Over the next two weeks, we will be focusing on the Olympic games that are being held over the summer. Children will be creating fact files, finding out about different sports and athletes and even planning an Olympic race. At home, you could prepare your child by finding out any information about a particular Olympian of their choice.

Year 3

We have reached the end of another fun packed week. A big well done to all the children for taking part in Sports Day and particularly to all the children of Moon house, who won the event. The children have also enjoyed listening to the Year 4 children as they played the ukulele. We also had a fantastic afternoon of watching the children of Year 2 perform Snow White.

This week the children have also competed Half Termly assessment, with the children demonstrating how much they have learnt this year.

In our penultimate week, the children will be completing a number of different maths tasks to ensure that they are ready for the challenges of Year 4.

Please remember that next Wednesday is the Year 3 trip. The children will be taking part in woodlands survival skills and will need to be dressed appropriate, in something you do not mind getting dirty.

Just a little reminder, all clubs have ended this week.

Year 4

It's been a very sporty week this week for us at school with all the sports days happening across the year groups. On Monday we watched, and cheered on, the Year 5 & 6 children in their races whilst enjoying the beautiful British summer we briefly experienced.

Tuesday it was our turn, we sprinted, hurdled, skipped and jumped our way to the finish lines as fast as we could trying to beat our personal bests. The teachers in Year 4 would like to congratulate all of our children on their fantastic team spirit and enthusiasm throughout all of the sports days we were involved in.

On Monday afternoon, we had the treat of being able to watch the Year 2 production of Snow White, it was lovely to see the younger children in the school, including some brothers and sisters, take part in such a wonderful play.

Next week, it is the turn of Year 4 to go swimming so please ensure swimming kits are in school on Wednesday.

Year 5

What a sporty week we have had! We started Monday morning with Years 5 and 6 Sports Day and we were so impressed with the children and the effort they put in. All of the children tried really hard and it was good to see lots of parents there to support their children.

In the afternoon, we then had the pleasure of watching Year 2's production Snow White and the Seven Dwarfs. All of the children worked really hard and we really enjoyed seeing all of their amazing costumes!

On Tuesday, we got to watch Year 3 and 4 take part in their Sports Day and again they all tried really hard. In the afternoon, we continued our Science topic Forces. The children produced a poster where they recapped the topic so far including lots of facts and pictures.

For the rest of the week the children have been completing their summer 2 tests for; reading, SPAG and maths. These are their final assessments for Year 5 and we have been pleased with the results.

Just a reminder it is parents evening Monday 18th July 2-3pm and then 4-6pm. If you have returned your slip yet and you would like to book an appointment please make sure these are returned by, Monday 11th July at the latest as teachers will be giving out appointments soon after.

Year 6

This week has been a hectic week for Year 6! We started off by watching the year 2 production and taking part in their sports day. All the children thoroughly enjoyed this and were fantastic.

Our production is well under way; costumes are at the ready and the children are preparing themselves for the big finale! The production tickets are still on sale and will still be able to be bought next week.

Our Year 6 Athletics team were phenomenal Thursday at Aldersley Leisure Village with the majority of our children qualifying for the finals next week. The other schools were blown away by our performances. Well done Guys!

The leavers hoodies have now arrived, with all children looking very dapper! Just a reminder that nurse talk letters and prom letters need to be handed in asap.

Have a great weekend!
